## **CHESTER COUNTY DEMOCRATS ENDORSE ANNE LAZARUS FOR SUPERIOR COURT**

**CHESTER COUNTY:** Last week, the Chester County Democratic Party endorsed Judge Anne Lazarus in her race for Superior Court. The Chester County Democrats' endorsement is the latest announcement of support for her candidacy and closely follows her backing by Lancaster County.

"I am extremely proud to accept the endorsement of the Chester County Democratic party," said Judge Lazarus. "With their support – and the support of others across Pennsylvania who are committed to improving our judicial system – I am hopeful I can win the election and continue to fight for equal justice for all through the court system."

If elected to the Superior Court, Judge Lazarus will bring over 15 years of experience on the bench, a record of integrity and a commitment to the community. She has been rated "highly qualified" by the Pennsylvania Bar Association.

Importantly, at a time when too many have lost faith in our political and judicial systems, she serves as the Chair of the State Conference of Trial Judges' Ethics Committee, a position she has held for the last 2 years.

In the weeks remaining before the May primary, Judge Lazarus will continue to meet with voters across Pennsylvania as she campaigns for one of two vacant positions on the Superior Court.
